

TO MY BEAUTIFUL CHILD

I love you very much.

I trust you.

You bring the most happiness to my life.

Nobody is perfect; we all make mistakes.

Keep trying, and it will get easier.

We can always work it out.

I will always be here for you.

Listen to your body.

It is o.k. to lose sometimes.

The best time to be happy is now.

Never let fear get in the way of reaching your dreams.

Life is like a mirror. Smile at it and it smiles back at you.
